

KTC Walk On Court Bookings

Each member has the privilege of holding 1 advance court booking per day, to a maximum of 6 in a 7-day period. Please note that this privilege is not transferable to other players who have already used their own advance booking for the day. That is, your name may only be used for bookings where you will be physically present on the court.

We also offer walk on bookings to enable members who are keen to play more than once a day to use courts that would otherwise sit empty. These bookings are made verbally with the steward on duty, either by phone or going to the office, and can be made up to 60 minutes prior to the start of play.

A non-booked court (ie. no advance booking or walk on booking has been made for it) is considered to be an open court and is subject to the following rules:

- Members already on that court may continue to play after their booked time has ended if the court remains open. They may not formally extend their booking time with a walk on booking. That is, people who are completing play on any booking can only stay on the court and play longer if no one else has booked it prior to the start of the next timeslot (either as an advance or walk on booking).
- Players displaced from a court must wait 1 hour before playing on any court that they subsequently book as a walk on. You cannot book another court to immediately follow your previous game. If there is an empty court, you are welcome to use it without a booking.

Have fun on the courts and let's share our resources equitably and amicably.
